Thank You Larson Financial Foundation

We were encouraged by 33 volunteers from Larson Financial Foundation on Saturday January 26th.

They bought cleaning supplies and space heaters, cleaned every toy, folded & sized sheets and blankets, washed windows and cleaned the parking lot.

They heard several refugees tell their stories of being kidnapped, threatened with imprisonment, and driven out of their homes. The refugees told about their arrival in St. Louis and how Oasis International helped them.

Thank you Larson Financial Foundation.
You are making a difference already!

Oasis In the City: "Stories from the heart"

"oasis" a pleasant or peaceful area in the midst of a difficult place: calm in the city

We have been encouraged by many of the churches and organizations that have helped give baby showers for the refugee mothers. We want to give each mother a sense of family as they begin or expand their own families. Many times these young moms do not have their own mothers here in the U.S. Imagine being alone without your family and going through the fears and pain of child birth in a foreign country. What a relief to have American women come to your home and help you with the material needs that you have as well as your emotional needs being met. This is why we do what we do...Pure Love!
