Great Teams in March

Once again the university students from Hawaii to New York came for "City Lights" ministry from InterVarsity Christian Fellowship. Every year students give up their spring breaks to come and serve in St. Louis. We are blessed to have them give their time and talents at Oasis. From working on computers, delivering furniture and painting to repairing and cleaning; they gave it their all and accomplished so much.

Also Crosspointe Elementary School donated toiletries, cleaning supplies and food items for the refugee families. We had laundry baskets filled with these basics that are such a blessing to our refuge families.

New Kitchen & Bathrooms in Progress

We are excited to see the construction beginning on the kitchen, 4 storage rooms and 2 bathrooms. We appreciate the financial donations for this project. We also are thankful for the great carpenters, plumbers, HVAC, electricians, mud and tapers and painters who are helping to make it happen. We hope to be finished by the end of May. All of the equipment for the kitchen has been donated. It is so exciting to see the building projects completed. God has been so faithful to bring the provision for everything He has called us to do.

We say, "It is a miracle everyday." And it truly is.
What a faithful God we serve.

Oasis In The City: "Stories from the heart"

"oasis" a pleasant or peaceful area in the midst of a difficult place: calm in the city

Hamida and her three beautiful girls have had a lot to be discouraged about and to be happy about. Raising three children by herself had been very difficult, trying to pay bills, and provide for her family; but thanks to family and friends, she now has a house she can call her own. It's a nice, little house but has many, many things that need to be fixed. She is hopeful that her life will be better and has begun to see the goodness of God through people who are willing to get involved. If you would like to be a part of changing someone's life please contact us at Oasis.

Administer true justice; show mercy and compassion to one another.
