## Spring Break missions

Our group (on the left) from First Baptist of Broken Arrow, Oklahoma was such a blessing to us. They delivered furniture and deep cleaned the building including my aquarium. They accomplished much on their one day blessing at Oasis.

We love the month of March because University students come from California to New York to volunteer at Oasis. They are part of the City Lights program to bring students on spring break to do volunteer work in the St. Louis area. We were blessed by students from University of Tennessee, Indiana, Pittsburgh and Georgia Tech. These are really smart people with a heart for Jesus, willing to serve refugee families. They helped put in some drywall, mud and tape, went on furniture deliveries and much more. One team visited a Congolese girl who had a birthday and they took her presents. They went back several times to take her box fans and repair her smoke detectors. Look at those smiles!! What a blessing they are.

We also want to give a special thank you to Omar our weekly volunteer from Sudan. He is so much fun and so helpful at Oasis!

We are celebrating 10 years at the Oasis Building November 6th. Would you help us by sending us a note with your favorite inspirational moments, and photos. We would love to hear your best idea of how we should celebrate in November also.

If you knew you could give \$1,000 to Oasis International, would you do it?

If you give \$2.74 a day for 365 days it totals \$1,000.01. Now that's a great idea. Just say'in!

# \$1,000

"Mr. Ben" as everyone calls Ben Settle, is our driver's training instructor. We say he has more faith than anyone on the staff. He just told me that he helped five students receive their license in March.

*Remember summer is coming soon and we can use box fans right now. Thank you for collecting these box fans for the refugee families.*

Our first BBQ Outreach is April 16th. Thank you Midtown Church for sponsoring this event. Our BBQs will be every third Saturday from April through October.
