We have a new domain name. We believe this really says what Oasis International is all about. In a time when many people are concerned about refugees coming to the U.S., Oasis International wants everyone to know that we are **FOR** the refugee families. We are aware of security concerns for our nation. We don't want to be controlled by fear. The Bible says, "perfect love casts out all fear". God has called us to love and care for our new friends from all around the world. Thank you for joining us in welcoming them to their new city, homes, jobs, schools and churches.

Our First BBQ Outreach Of 2016

Thank you to **Midtown Church** for sponsoring our first BBQ Outreach. It was a beautiful day for families and friends to come together to play games, enjoy good food and meet people from many nations. Come see us at our next BBQ, May 21st.

Congratulations to Midtown Church on their special day, May 1st, as they went from being a church plant to it's own governing congregation. **Congratulations to Pastors Mark Tucker and Arron Taylor.** We were honored to share about Oasis at their reception and appreciated them taking an offering for Oasis on their special day.

One of our favorite things is giving welcome gifts to the new families. **Saint Louis University professors from Alpha Eta Society** came and packaged household items that their students collected. We are grateful for these needed donations.

We are blessed to have new doors for Oasis. We are working on improving our building access and fire protection for the people who come to Oasis. Rooftop Church helped with service projects around the building. Their church did an awesome furniture drive and **collected two full truck loads of furniture**.
