Celebrating Women

Valuing All Women

International Women's Day is celebrated around the world on March 8. One of our ladies from Iraq wrote a paper and read it to our ladies on the importance and significance of women. We set aside a day to bless our English students at Oasis with a Salon Day to let them know how much we love them and value them. Forty-two ladies from eight different nations enjoyed free haircuts, facials, make-up, jewelry making and manicures. Photographs were taken to capture the beautiful ladies at the end of the day. Twenty-four American ladies gave of their time and talent to make it all possible.

Oasis In  the City: "Stories from the heart."

A Great Easter Celebration

The celebration was about the resurrection of our Lord Jesus Christ. We were blessed by the beautiful worship music by Peter Pei that provided the atmosphere for the Lord to bring people together with His love.

Many gifts were given during the BBQ to the over 150 people who attended. Gifts are always given in memory of the greatest gift of all; Jesus Christ. Jesus is the reason for everything we do for the refugees that come to St. Louis. This is the love that fulfills the entire law in the Bible; Love Your Neighbor As Yourself!

After an Easter Egg hunt, 100 Easter baskets were given out to the children. Each basket contained a chocolate cross, a children's book on the Resurrection Story, candy and a Build A Bear, Teddy Bear, that were donated to Oasis. Thank you to volunteers from First Baptist Church, Arnold for putting the baskets together. We are also grateful for Cornerstone Farms for providing ponies for the children to pet. It was a beautiful day for everyone.
