Driver's Training Car!!

We are excited that we have a new driver's training car and a new driver's training instructor. We are so grateful to our anonymous donor for this wonderful 2014 Ford Focus. Along with Ben Settle, we now have

another instructor, Robert

Claus. Both of our instructors are so compassionate and caring for the students. We look forward to hearing of even more students receiving their driver's license now.

Hebrews

13:1-2

Keep on loving one another as brothers and sisters. Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it.

Fire and Tornado Drills

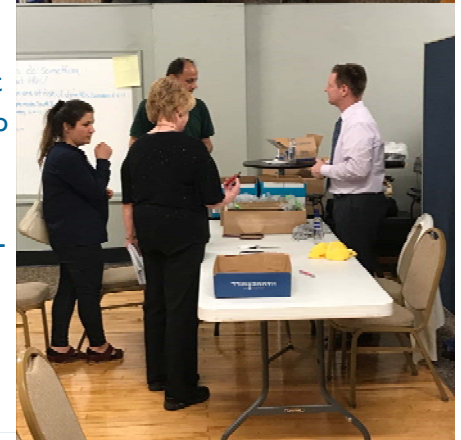

This week we began our Fire and Tornado drills. We have many new policies in place for emergencies, thanks to Lisa Davis, our summer intern who was working on her Emergency Management Degree. As we practiced our fire drill, we were able to exit our building and the Bosnian Chamber of Commerce (where we hold two English classes) in 3 minutes. We also did a tornado drill on another day and were able to bring everyone in the basement of Oasis from both buildings in 4 minutes. We are thankful to have these plans in place to keep our staff and classes safe.

Eye Glass Clinic

The great volunteers from First Baptist Church Arnold once again provided a wonderful service to the community. They offered eye exams and glasses to 139 people from 29 countries. The building was full most of the day with

people ready to receive a free eye exam and free glasses. Several people went out of the building holding up their glass cases and glasses on their faces with the biggest smiles. There is nothing like seeing a person being able to see for the first time in a long time.

Winter is Coming!

Refugees struggle to stay warm in our cold St. Louis winters. Please look through your closets for any gently used coats, gloves, hats, scarves, or other warm clothing that could be donated. Invite your church to do a coat drive. Raise money with your bible study to purchase a space heater to donate. Thank you for supporting and loving the refugees of St. Louis.
